

CUSTOMER-DRIVEN ENHANCEMENTS

TL-9 TURBO LITE GRINDER

Trusted by contractors and rental centers, the TL-9 is known for durability and ease of use. Recent updates improve operator comfort, usability, and motor protection.

IMPROVED POWER MANAGEMENT – Pigtail + 50' 10-gauge cord reduces voltage drop and protects the motor.

ERGONOMIC/EASY FOLD HANDLE – New 2-position handle height adjustment for improved operator comfort.

IMPROVED LEVELING HANDLE – Faster, smoother adjustments

REVISED FOLDING CONTROL – Prevents handle contact with motor
